| Weight 0.61 kg | Transport dimensions 410 x 98 x 39 mm, 0.608 kg | Business division MUNK Günzburger Steigtechnik | Article no. 041535 | Price € 52.00 |

Facts

- Live up to the increased requirements on work safety and provide for optimised non-slip protection, safe footing and a comfortable stance on our step ladders
- The step padding made of grooved plastic is clipped onto the step to cover the whole surface and is custom-fit; it can be removed again without damage to the ladder and leaving no residue
- The clip-step step padding is applied up to the max. accessible step as per DIN EN 131 in the case of step ladders accessible from both sides, thus functioning as a visual check that the ladder is being used correctly

 Available as single accessory for 11.00 EUR excl. VAT per piece (recommended retail price) for your step ladders

Scope of supply

Clip-step step paddings (different lengths): 4 x Assembly instructions: 1 x

Information on sustainability criteria

Corporate certification: ISO 9001

Corporate certification: EN 1090

Corporate certification: EcoVadis

- RoHS
- REACH
- The MUNK Group complies with a Code of Conduct
- The Supply Chain Act does not apply due to our size
- The materials used are listed in the technical specification
- Resource-saving production: own photovoltaic systems
- Energy-efficient consumption during production: LED lighting
- Repairability, durability and quality: 15-year warranty on series products made in Germany
- Recyclability: Our products are mostly made of aluminium, steel or wood and can be fed directly into the recycling process.
- Socially acceptable working conditions in production: fair wages, gender equality
- Economical and recyclable packaging: no use of polystyrene, predominantly use of wood and cardboard, small amounts of plastic
- No health hazards for the users
