

Order no.: 930400

# M5 pan head screw

Length [mm]

12

# Specification

- Pan head screw with hexagon socket
- Metric standard unified thread
- With flange/collar
- No washer required
- DIN 7380-2

## Description

Our pan head screws are made from high-quality material and have a metric standard unified thread and a hexagon socket drive. These screws do not require a washer and are ideal for all applications in which a high degree of strength is required. We offer screws in a range of thread sizes and lengths so that you can create any connection you require for your constructions.

### Scope of supply

Pan head screw: 1 x

#### Information on sustainability criteria

- Corporate certification: ISO 9001
- Corporate certification: ISO 14001
- Corporate certification: EN 1090
- Corporate certification: EcoVadis
- RoHS
- REACH
- The MUNK Group complies with a Code of Conduct
- The Supply Chain Act does not apply due to our size
- The materials used are listed in the technical specification
- Resource-saving production: own photovoltaic systems
- Energy-efficient consumption during production: LED lighting
- Repairability, durability and quality: 15-year warranty on series products made in Germany
- Recyclability: Our products are mostly made of aluminium, steel or wood and can be fed directly into the recycling process.
- Socially acceptable working conditions in production: fair wages, gender equality
- Economical and recyclable packaging: no use of polystyrene, predominantly use of wood and cardboard, small amounts of plastic
- No health hazards for the users
