### Facts

- Live up to the increased requirements on work safety and provide for optimised non-slip protection, safe footing and a comfortable stance on our step ladders
- The step padding made of grooved plastic is clipped onto the step to cover the whole surface and is custom-fit; it can be removed again without damage to the ladder and leaving no residue

- The clip-step step padding is applied up to the max. accessible step as per DIN EN 131 in the case of step ladders accessible from both sides, thus functioning as a visual check that the ladder is being used correctly
- Available as single accessory for 12.00 EUR excl. VAT per piece (recommended retail price) for your step ladders

### Scope of supply

- Clip-step step paddings (different lengths): 3 x
- Assembly instructions: 1 x
