

Order no.: 062980

# Rescue platform for roof exit

## **Specification**

Material Aluminium | Stainless steel Business division MUNK Günzburger Steigtechnik

Order no. **062980** 

#### **Facts**

- Rescue platform made of high-quality aluminium, connecting elements made of stainless steel
- Individual dimensions on request
- Extremely weather-resistant, stable standing surface
- Safety railing and rescue opening with optional safety door possible
- Vertical load: 500 kg/m²

## Scope of supply

Platform: 1 x

■ Board: 1 x

Garde-corps: 1 x

Supporting base: 4 x

Installation material: 1 x

Assembly instructions: 1 x

## Information on sustainability criteria

Corporate certification: ISO 9001

Corporate certification: EN 1090

Corporate certification: EcoVadis

- RoHS
- REACH
- The MUNK Group complies with a Code of Conduct
- The Supply Chain Act does not apply due to our size
- The materials used are listed in the technical specification
- Resource-saving production: own photovoltaic systems
- Energy-efficient consumption during production: LED lighting
- Repairability, durability and quality: 15-year warranty on series products made in Germany
- Recyclability: Our products are mostly made of aluminium, steel or wood and can be fed directly into the recycling process.
- Socially acceptable working conditions in production: fair wages, gender equality
- Economical and recyclable packaging: no use of polystyrene, predominantly use of wood and cardboard, small amounts of plastic
- No health hazards for the users
