

Order no.: 068961

Transfer platform between ladder sections, Ø 700 mm

#### Material

Stainless steel

Galvanised steel

# Specification

Material Stainless steel	Weight 9 kg	Transport dimensions 710 x 685 x 78 mm, 9 kg	Business division MUNK Günzburger Steigtechnik	Order no. 068961
Price € 1,858.00				

## Facts

- Platform as a bridging step between two ladder sections
- Ensures safe ascending and descending
- Optimum safety thanks to sturdy connection to ladder sections
- Simple mounting between ladder sections

### Scope of supply

Platform: 1 x

- Assembly instructions: 1 x
- Installation material: 1 x

### Information on sustainability criteria

- Corporate certification: ISO 9001
- Corporate certification: ISO 14001
- Corporate certification: EN 1090
- Corporate certification: EcoVadis
- RoHS
- REACH
- The MUNK Group complies with a Code of Conduct
- The Supply Chain Act does not apply due to our size
- The materials used are listed in the technical specification
- Resource-saving production: own photovoltaic systems
- Energy-efficient consumption during production: LED lighting
- Repairability, durability and quality: 15-year warranty on series products made in Germany
- Recyclability: Our products are mostly made of aluminium, steel or wood and can be fed directly into the recycling process.
- Socially acceptable working conditions in production: fair wages, gender equality
- Economical and recyclable packaging: no use of polystyrene, predominantly use of wood and cardboard, small amounts of plastic
- No health hazards for the users
